Happy New Year from the Alabama Board for Registration of Architects

May 2025 bring you all the best!

Thank you to all who have renewed their license. We truly appreciate your patience as we launched a new licensing system this year. Your feedback on the renewal process is welcomed and appreciated. We will be incorporating many improvements for future renewal seasons as we polish our technical processes.

For those who have not yet renewed, you can still renew today and tomorrow without late penalty. Please go to www.boa.alabama.gov and register to renew. Make sure to read instructions found at https://boa.alabama.gov/wp-content/uploads/2024/11/Renewal-Notice-2024-1.pdf first.

Thank you so much and Happy New Year!
